What information do we collect:

We collect the pages you visit but it's not associated with your personal information (like IPs). We host our website using Vercel Inc.'s service (Vercel) which collects information about you but we cannot access it. Vercel Inc. collects:

- Your IP address
- Log data (things like what pages you visited)

You can find more information about this on: <https://vercel.com/legal/privacy-policy>.

We collect these things about you:

Currently we do not log things about you when suggesting but this might change in some cases.

Where do we store your information:

Our databases are hosted by Neon, LCC (<https://neon.com/>). You can visit their privacy policy at: <https://neon.com/privacy-policy>.

Who we share your information with:

We do not share or sell any information to anyone and this will probably not change. If it does then you will be noticed on the website.
